MILAM VOTERS TO POLLS SAT. 28

J. B. WHITE

What sentiment is it that draws millions of men each spring out to the trout brooks and the fishing lakes? Why do they long to pursue those speckled and finny beauties that lie under the mysterious surfaces of waters?

Many of our President have been noted fishermen. President Roosevelt is again enjoying this great sport. Presidents Hoover, Coolidge, and Harding liked to fish, and many of their predecessors did so. Many clergymen and authors have been noted fishermen. Somehow the sport seems to appeal to the philosophical and executive temperament.

And then again many men of idle and indolent habits are apt to enjoy fishing, and sometimes do quite well at it. What makes it attractive to both ends of the social scale?

There is something in man that enjoys contending with the forces of nature, and persuading or compelling them to do his will. He likes to fish, because he enjoys matching his skill and experience with that strange and mysterious force which we call animal instinct.

That animal instinct is often superior to human knowledge, so that many fishermen return with an empty basket. The astute sense was too much for the human intelligence. One might be a very smart man in the marts of trade, but be no match for that strange and mysterious something that impels the actions of these mysterious creatures.

So man will always pursue the finny things of the lake and river. He finds rest and refreshment there. Even if he does not bring home much valuable food, when he returns to work the harness feels a lot better.

One of the funny old customs that has come down out of countless dark ages, is that of the April Fool Joke. It is a singular thing how these old customs persist, without any special reason. Five thousand years ago, people were probably playing their pranks on each other at this time of the year. Our ancestors 200 generations ago were probably sending each other for left-handed screwdrivers, if they had any such tools, and feeding their friends rubber doughnuts.

The chances that we shall be fooled on an April Fool Joke are not so great as they were. The world has grown sophisticated. It has more subtle ways of making people look ridiculous. You may not be tempted to pick up the purse nailed to the sidewalk, because your friends probably consider it a too crude form of humor. But they will be playing their little games on you. In one sense, every day is April Fool's day now.

It is not well to become annoyed when the world works off some foolish joke on us. It is a suggestion that we have to keep our wits with us when we engage in the give and take of life. The man who gets sour and cross because he is fooled on April 1 or any other time is not well fitted to engage in the rough and tumble of life. His skin is too thin, and it needs to be toughened a bit.

A sense of humor is a mighty fine thing. (Turn to Page 11)

METHODIST REVIVAL BEGINS HERE SUNDAY

A ten day revival meeting will begin Sunday morning at 11 o'clock at the First Methodist church. It was announced Wednesday by J. Coy Williams, Pastor.

Rev. C. E. Peoples, President of Lon Morris College at Jacksonville, will preach the first sermon of the revival Sunday. For ten days the revival will continue with services at 10 a. m. and 7:45 p. m.

Rev. Williams said that an effort is being made to have 75 per cent of the membership of the church present for the first services Sunday morning. The public is cordially invited to attend.

OIL WORLD WATCHING RED BANK'S DEEP WILDCAT

WEEK END TELLS WHETHER WELL IS TO PROVE GUSHER

Oil had focussed its sharpest weather eye on the Red Bank Oil Company's wildcat twelve miles southwest of Rockdale early Wednesday as the driller's bit was less than a hundred feet from the Edwards lime.

Scouts are watching the well and Red Bank stock had shot up ten dollars a share on the strength of the log which all along has indicated a good strike. It was believed that by the week end, possibly Friday it would be definitely determined whether pay sand would be struck in the Edwards lime.

The well is known as the Walter Blumenthal and Q. V. Crain No. 1. It is one mile from the Milam county line and was down 6215 feet late Tuesday. The drillers were making about two feet an hour. The Georgetown line was struck at 6069 and counting the elevation more than 350 feet up from the depth it was found in the Tanglewood wildcat drilled by the Red Bank and which came in a strong salt water well.

The Edwards lime will pay off or not pay off as the case may be. Production was believed to be very near if all indications can be relied upon. (Turn to page 8)

WATER SURVEY CREW BEGINS WORK HERE

W. I. Clark, former administrator of federal relief in Milam county, has been placed in charge of a survey to determine the underground water resources in this county.

This project comes through Works Progress Administration, one of the initiated divisions of the new deal.

The Texas Board of Water Engineers is sponsoring the survey in Texas. The party in Milam county of which Mr. Clark is the head, has two skilled laborers and seven common laborers. Mr. Clark has had a number of years experience in this work.

In the next issue a more detailed account will appear.

Cameron 'Exes' At Texas 'U'

By HENRIEM HEFLEY

Patsy McGregor is ill in Cameron this week with an attack of measles. Mary Newton was a visitor to Cameron last week end. Seen at the library Wednesday night—Ernest Sharpe. He seems to be continuing the good work which one might expect of an ex-validated of Yoe High. Heard stage-whispering at the midnight show last Friday night—Frances Tucker and Howard Terry. Jack Avriett attended the Delta Delta Delta convention in Houston last week end. He reports that a good time was had by all.

And maybe you think we aren't proud of the Cameron 'Exes' who are making a very fine scholastic showing at the University. The following list is taken from the Daily Texas on March 19:

On the Summa Cum Laude list, which is the best 101 out of 4,770, were Giles Croxton Avriett and Margaret Barrow Fisher. Ralph Mahon, Jr., who is the son of Mrs. Nora Hefley Mahon, was also on the list.

On the Cum Laude Amplia Et Magna list, which is the best 232 out of 4,770, was Hilliard Thomas.

On the Cum Laude list, which is the best 664 out of 4,770, were John Atkinson and Ernest Alonzo Sharpe.

A WORTHY APPEAL

St. Louis, Mo, March 19, 1936
Rev. J. P. Love,

Milam Mission Sites Unmarked

Almost two hundred years ago Spanish Missionaries established missions in Milam county to bring the Christian religion to the Indians.

The failure of Spanish influence to conquest Texas for the throne of Spain is revealed in a romantic story of the early Texas civilization. Except for a few places like San Antonio, Goliad, El Paso and Nacogdoches not one of the Missions remain and there were more than 40 established by the Roman Catholic Priests. Three of these were established in

Milam County. Of these only one location may be said to be definitely located. It is the Mission San Francisco Xavier on the San Gabriel River in what is now Williamson county.

Dr. Robert T. Hill, historian and geologist, writing in the Dallas News recently published the names and county locations of all the Missions. R. D. Brown, close student of Texas history, sends the list to the Herald.

The three Milam County Missions are as follows:

Spring Finds Building In Progress With City of Cameron Beautiful In Sheen of Early Blossoms

SPRINGTIME—the time of new life—the time when the songs of birds sound a little sweeter, the flowers seem more beautiful—when our thoughts turn to love and laughter and the time for building.

At this time a number of Cameron citizens are building new homes or remodeling, repainting and repairing.

Mr. and Mrs. Roy Baskin are building a new two-story home near the Ada Henderson school. A new one and a half story brick home with eight rooms is being built by Mr. and Mrs. Hayden Lawrence.

Remodeling, repairing and painting on homes are being done by Mr. and Mrs. Clifton Jenness, Mr. and Mrs. Stanley Swift, Mr. and Mrs. W. A. Bonds, Mr. and Mrs. Guy T. Newton and Mr. and Mrs. Max Fleischer.

An addition has been built to the Mexican Catholic church out on the Temple highway.

Superintendent E. A. Perrin reported that work is progressing on the new physical education and vocational building. All inner foundation is laid. It is expected brick work will begin in another week, and that the building will be completed on scheduled time, 100 working days.

Several out of town people have commented on the beautiful wisteria in Cameron. This lavender flower makes a pretty display as it trails the fences and twines the trees to their full height. Among the homes where wisteria is seen are: Mr. and Mrs. E. A. Wallace, Miss Mollie Moore, Mrs. Lottie Bigbee, Mr. and Mrs. A. C. Freeman, Mr. and Mrs. T. S. Henderson, Mr. and Mrs. R. H. McIntosh and Mrs. Sam Hefley.

LATE NEWS FLASHES

PENSION MONEY

Liquor stamp sales had brought to the Old Age Pension fund up to Tuesday a total of \$1,962,739 it was reported to-day by the liquor control board at Austin. Three fourths is allotted to the aged and one fourth to schools.

NEW HOTEL

Included in the plans for Cameron in 1936 is a new hotel, it was announced by Albert Collins, President of the Chamber of Commerce.

MORE COTTON MONEY

Agent Banzhaf's office is working top speed on cotton subsidy payments, difference between 10c and 12c. Mr. Banzhaf urges farmers to sign and return these blanks at once. These blanks have nothing to do with the new farm program.

REV. VERNON G. MILES CALLED BY BAPTIST

Rev. Vernon G. Miles, pastor of the Baptist Church in DuQuoin, Illinois, has been called to the Baptist pulpit in Cameron.

It will be about two weeks before the local church knows whether Rev. Miles will accept the call. His name was chosen from 52 names that had been submitted to the local pulpit committee.

Rev. Miles married Miss Bernia Tyson, daughter of Mr. and Mrs. Arthur K. Tyson of Calvert. She is a graduate of Baylor University, Waco, and also of the Seminary, Ft. Worth. He has pastored in Oklahoma, but for the past five years has been in DuQuoin, Illinois.

Rev. Miles married Miss Bernia Tyson, daughter of Mr. and Mrs. Arthur K. Tyson of Calvert. She is a graduate of Baylor College, Belton, and before her marriage was on the T. C. Gardner's B. Y. P. U. staff of state workers. Rev. and Mrs. Miles have two children.

Lectures Here

DR. S. L. JOEKEL

Teacher of Bible in Presbyterian Theological Seminary in Austin.

The number attending services at the First Presbyterian church attest the greatness of the messages brought by Dr. S. L. Joekel. They make you think. They make you know, reminding all that God allows man to set his own standard, and asking "Shall it be God's standard, or a life only accepted by Society."

Such food for thought, "Prove all things, hold fast to that which is good."

Dr. Joekel brings these messages in his own individual manner, interesting, plain, brief.

From Rosebud and nearer adjoining towns they are coming to hear these messages brought twice daily 10 a. m. and 7:30 p. m.

PRESIDENT COLLINS NAMES COMMITTEES

Current year organization of the Chamber of Commerce has been completed with the President, Albert Collins naming the following list of committees at the regular meeting on Tuesday night:

Membership and Finance—J. T. Baldwin, August Kunz, Alvin Dusek, Albert Collins, W. F. Paden. (Turn to page 8)

Bill Morrison For District Attorney

W. A. (Bill) Morrison, city attorney and well known bar member, is a candidate for district attorney, he announced Tuesday for publication in the Herald.

For a short period in 1934 he served as criminal district attorney by appointment of the governor when the late S. M. Burns passed away. The executive committee declined to place his name on the ticket. Mr. Morrison is one of the prominent young lawyers of Texas and his friends will welcome his candidacy for this office.

In announcing his candidacy Mr. Morrison said:

To the Voters of Milam County:

I am a candidate for the Democratic nomination to the office of Criminal District Attorney for Milam County.

ISSUE IS LEGAL OR BOOTLEG LIQUORS

Voters of Milam county will go to the polls Saturday and ballot on the question whether legalized sale of liquors will be authorized. It will be a choice between regulation and tax support for the old age pension fund or the present status of open bars and illegal sale of all liquors.

The ballot is simple and a legal one this time. The last election was declared void because of a defective ballot. E. A. Camp of Rockdale, attorney, was retained to arrange legal details of the election call and the ballot.

The election on Saturday March 28 has no connection in any way with beer which has already been legalized and is not classified a liquor. If the county votes wet the sale of all liquors in original packages will be authorized.

If the county votes dry there will be no change in the method of selling liquors. The advantage to be gained if the county votes to legalize, it is pointed out, will be additional and much needed funds for the Old Age Pension in Texas.

There are more than 1200 applicants from Milam county for the Old (Turn to page 8)

Sample Ballot

For Authorizing the Sale of all Liquors.

Against Authorizing the Sale of all Liquors.

The above is the form of the ballot to be used in the election on Saturday, March 28 when the people vote on question of legalizing control of liquor now being sold in Milam county.

NEW HOTEL PART OF PROGRAM FOR 1936

A new hotel for Cameron is in the program for 1936, it was announced Tuesday night by Albert Collins, president in forming the new Chamber for this year.

Reports were heard from the committee chairmen and work discussed for the new year.

The Chamber of Commerce has four major projects as follows: a new hotel for Cameron, extension of highway 69, co-operating with the (Turn to page 8)

PROCLAMATION
BY THE MAYOR

The week of March 29th to April 4th, inclusive, has been designated as SPRING FIRE PREVENTION CLEAN-UP WEEK.

This is Centennial Year in Texas and a Spring Clean-Up Campaign should receive the enthusiastic support of every man, woman and child. First, every citizen should have a wholesome pride in his home city, its streets, playgrounds, parks and buildings. Homes and surroundings freshly painted, with well kept lawns and gardens, increase property values and intensify community interest. Cleanliness creates cheer, courage and confidence. Secondly, because every dollar in property destroyed by fire, which is frequently the result of careless housekeeping in American, homes and in the average place of business, is a serious drain upon our present economic condition. Thirdly and humanly most important, because in the past ten years entirely too many of our citizens have lost their lives due to carelessness in their daily use of fire, and the preservation of human life is an important matter.

Now, Therefore, I Chas. C. Smith, Mayor of the City of Cameron, Texas, do hereby designate the week of March 29th to April 4th, inclusive, as SPRING FIRE PREVENTION CLEAN-UP WEEK and most respectfully call upon all departments of the city, the Chamber of Commerce, Civic Clubs, Patriotic Clubs and our people in general, to take an active part in this Clean-up campaign.

In testimony whereof, I hereto sign my name and seal of office this the 10th day of March, A. D., 1936.

CHAS. C. SMITH, Mayor,
Cameron, Texas.

**MILLIONS TO VISIT
TEXAS THIS YEAR!**

Celebrations Will Bring Vast
Crowds Into State!

If early indications are a criterion, a goodly portion of the population of the United States will be traveling toward Texas during 1936, Centennial year. Since announcement of Texas' big, state-wide show, inquiries have been coming in by the thousands. Statisticians now estimate more than 12,000,000 people will attend the Centennial and it is reasonable to expect more than half a million will be here.

Texas is on parade! Millions of citizens from other states have accepted our invitation to see and know Texas! They'll be traveling through every part of the state!

The impressions our guests take home with them will depend upon individual Texans! Clean premises! Growing lawns! Colorful flowers and landscaping! New paint! All these efforts by individual citizens will make the impressions favorable to your town and to Texas!

Join in this state-wide crusade for a cleaner, more beautiful Texas! Let's every one of us do our part!

**TRAVEL TEXAS

DR. AND MRS. WATSON ENTERTAIN AT BRIDGE

On Friday afternoon at 3 o'clock, Mrs. James Watson opened the doors of her beautiful home to guests who were invited for the ever popular game of bridge.

Bridal wreath and Flowering Peach blossoms were used to add beauty to the setting.

Four tables of players were gathered for the games, and at the conclusion, Mrs. George William Triggs was presented a baking dish for high score and Mrs. Bill Burns was consoled with a lovely Dresden vase.

Guests were served salad accompanied by ice course on trays centered with pansies attractively arranged in green lace doilies. Fortunate in cutting for prizes were Mesdames W. E. Gaither, W. A. Bonds, Bill Baskin and R. D. Brown.

Four Table Bridge

Dr. and Mrs. James Watson were host and hostess to four tables of bridge the same evening. After a number of spirited games, Dr. C. G. Brindley and Mr. R. D. Brown were found to hold high score for men, receiving attractive mottoes, while Mrs. Oxsheer Smith and Mrs. Ed Taylor were presented lovely handkerchiefs, in pastel shades, for ladies high score.

A salad course was served. Lucky in cutting beautiful Colonial corsages as table favors were Mesdames Judd Davis, H. F. Smith, Ed Taylor and C. G. Brindley.

Enjoying the hospitality of Dr. and Mrs. Watson were:

Mr. and Mrs. H. F. Smith, Mr. and Mrs. Ed Taylor, Mr. and Mrs. Claude Triggs, Mr. and Mrs. B. F. Bonds, Mr. and Mrs. Oxsheer Smith, Mr. and Mrs. R. D. Brown, Mr. and Mrs. Judd Davis, and Dr. and Mrs. C. G. Brindley.

42 CLUB WITH MRS. JOE DENSON HOSTESS

Mrs. Joe Denson entertained the 42 Club and additional guests on Thursday afternoon. Sharing the hospitality was her young daughter, Marjorie Ann.

Spring flowers were used in decorating throughout the living room, dining room and sun parlor.

Four tables of players, at the conclusion of the games, were served a lovely salad and ice course on attractive trays centered with violets.

Other than club members present were Mesdames J. E. Johnson, John Cecil Culpepper, Tom Denson and L. L. Blaylock; Misses Alice McGehee and Winnie Henderson and Mary Burns.

Mrs. Denson was assisted in serving by Miss Alice McGehee and Mrs. Roy Baskin.

NEW YORK VISITORS ENTERTAINED

Mr. and Mrs. B. F. Robinson entertained Wednesday evening, naming as honor guests Mr. and Mrs. Walter Blumenthal of New York City, and Mr. Carl Mayer of Dallas.

Potted flowers were used about the living room. Setting the decorative key note for the dining table were sweet peas in pastel shades forming the center piece with green papers in orchid holders on either side. Appointments were crystal and rose.

A four course dinner was served the guests.

QUARTERLY SOCIAL FOR BIBLE CLASS

Members of the Friendly Bible Class of the Methodist Church met for their regular quarterly social meeting in the home of Mrs. F. R. Dunlap.

Beautiful Spring flowers were used throughout the living rooms, lending cheer to the friendly spirit which prevailed.

Mrs. R. L. Batte led the devotional lesson with Rev. J. Coy Williams offering a prayer.

Little Blanche Dunlap gave a reading and Virginia Weems, accompanied by Kathryn Monroe on the piano sang a solo.

Interesting games were much enjoyed by members of the class after which Mrs. Bob Terry and members of her circle served a lovely salad plate with angel food cake and ice drink.

HISTORY CLUB

The History Club met Tuesday afternoon with Mrs. S. A. Cottle as hostess. Mesdames Jeff T. Kemp and Mrs. T. S. Henderson were leaders.

The subject for study was the Centennial of Texas. Members responded to roll call with a three minute talk on "What I Shall Enjoy at the Centennial."

Guests for the meeting were mesdames J. T. Baldwin, J. Coy Williams, J. M. Bowman, E. A. Perrin, Camilla Stewart.

A salad plate with hot tea was served. Plate favors were attractive maps of Texas. The napkins also carried out the historic idea, with Texas' own blue bonnet shades predominating.

The hostess was assisted in serving by Mrs. J. L. Coleman.

ST. RITA'S CIRCLE

Mrs. Joe Michalka and Mrs. Leo Hollas were joint hostesses to members of the St. Rita's Circle Wednesday afternoon from 3 to 5 o'clock in the home of Mrs. Hollas.

Mrs. Frank Michalka presided at the meeting in the absence of Mrs. A. E. Matula. After a short business session the study of Mass was resumed.

The hostess, assisted by Misses Marguerite and Magoline Michalka, served pie topped with whipped cream and coffee.

SO MANY OCCASIONS CALL FOR APPLES

But for the utmost in enjoyment of this fruit and for economy you should choose apples of known excellence—Big Y Apples—expertly grown and selected for quality. Use plenty of these fine apples for their nourishment and wholesomeness as well as because they are so good. They are washed and clean—wrapped in paper to protect them till you buy them.

Ask for them by brand name—at your grocer's or fruit dealer's.

Queen and King of Centennial Cotton Carnival

MISS NELLE BONE

R. L. HUCKABEE

College Station, Texas, March 25.—Miss Nelle Bone, Fort Worth, senior at Texas State College for women and L. L. Huckabee, Holland, senior at Texas A. & M. College, will reign as king and queen of the Centennial Cotton Festival at Texas A. & M. College April 3. This event, the fifth annual cotton style show and pageant at the college, will pay tribute to the fleecy staple that contributes so largely to the agricultural and economic life of the state.

With a setting reminiscent of the great cotton plantations of the Old South, the coming festival will have

as a feature a parade of more than 100 young women, cast in the role of belles of the Old South, wearing cotton costumes. These belles of the court will represent various colleges and universities of the state, A. & M. former students associations, A. & M. mothers clubs, and various towns and cities of Texas. The king and queen and immediate attendants will wear colonial costumes.

Following the pageant in the memorial gymnasium, coronation ball will be held in the college mess hall. In keeping with the times, the festival will have a Centennial note.

MRS. SWIFT HOSTESS

Mrs. Stanley Swift was hostess to the Friday Bridge Club, entertaining three tables of members and invited guests.

Spring flowers as decorations accented the season. At the conclusion of the games, Mrs. C. G. Brindley was awarded for having high score

of the afternoon.

A refreshing salad plate with ice drink was served.

Guests were Mrs. H. F. Smith, Jr., Miss Madie Watson and Mrs. C. G. Brindley.

AS YOU LIKE IT CLUB

Mrs. W. H. Henley was hostess to the As You Like It Club Wednesday

afternoon at her home. A social time was spent with needlecraft as the diversion and was much enjoyed by all present. Others invited to participate besides club members were Mrs. T. S. Henderson, Mrs. Preston Graves and Mrs. Bertha Brewer. Closing the afternoon's pleasure, the hostess served a salad course with hot coffee.

MRS. ALVIN NOLTE ENTERTAINS

Mrs. Alvin Nolte entertained with six tables of Bridge on Wednesday afternoon in the home of her mother, Mrs. W. E. Gaither.

Enthusiastic players radiated the true cherry spring day and enjoyed many spirited games. Adding further to the setting were the beautiful spring time blossoms placed about the spacious living and dining rooms, reception hall and sun parlor.

Attractive refreshment plates were served from trays centered with pink bunny rabbits and little candies in a nest of vari-colored pansies.

Assisting in serving were Mrs. J. M. Bowman and Miss Bonnelle Neimast.

Mrs. Bill Baskin held high score for the afternoon, receiving a double deck of cards.

Mrs. Nolte entertained the Tuesday Club the previous day, Mrs. Arthur Baskin and Mrs. C. W. Bradbury winning high score for club members and guests respectively.

The above financial statement reflects the solidity of the Company, and will bear the strictest examination. A financial statement means more than just so many figures. It reflects the policies and practices of management in the efficient administration, evidencing the character of their selection.

Special attention is directed to the items of reserve funds. The Company's legal reserve fund, which the law requires to be set aside, as determined by actual calculation, amounts to \$37,625,708.00. The Company, however, goes further than this by providing additional strength and protection to policyholders

in the sum of \$3,000,000.00 Fully Paid in Capital, \$1,143,620.47 Free and Unassigned Surplus and \$573,285.56 Reserve Fund for any unforeseen depreciation, making a total excess protection over the legal reserve required of \$4,716,906.03.

The Company's admitted assets of \$43,125,922.81 are represented by Cash, Policy Loans, Mortgage Loans, Bonds, Real Estate and a few minor items. Investments are in excellent condition, evidencing the character of their selection.

During 1935, new insurance amounting to \$32,031,791.00 was delivered. The total amount of insurance in force at the end of 1935 was \$226,878,938.00.

EMERGENCY LOANS TO FARMERS AVAILABLE

Applications for emergency crop loans for 1936 are now being received at Milam County Abstract Company by Eire E. Brown, field supervisor of the Emergency Crop and Feed Loan section of the Farm Credit Administration.

The emergency crop loans will be made only to farmers who cannot obtain credit from any other source, as provided by the regulations issued by the Governor of the Farm Credit Administration. The money loaned will be limited to the farmer's immediate and actual cash needs for growing his 1936 crops and in no instance may exceed \$200 to one farmer.

Farmers are not eligible for emergency crop loans if they can borrow from an individual, production credit association, bank, or other concern. Farmers will also be considered ineligible if they have an application pending with Resettlement Administration, have received assistance from that organization this year or are indebted to the Resettlement Administration for an unpaid loan.

PROCLAMATION BY THE MAYOR

The week of March 29th to April 4th, inclusive, has been designated as SPRING FIRE PREVENTION CLEAN-UP WEEK.

This is Centennial Year in Texas and a Spring Clean-Up Campaign should receive the enthusiastic support of every man, woman and child. First, every citizen should have a wholesome pride in his home city, its streets, playgrounds, parks and buildings. Homes and surroundings freshly painted, with well kept lawns and gardens, increase property values and intensify community interest. Cleanliness creates cheer, courage and confidence. Secondly, because every dollar in property destroyed by fire, which is frequently the result of careless housekeeping in American homes and in the average place of business, is a serious drain upon our present economic condition. Thirdly and humanly most important, because in the past ten years entirely too many of our citizens have lost their lives due to carelessness in their daily use of fire, and the preservation of human life is an important matter.

Now, Therefore, I Chas. C. Smith, Mayor of the City of Cameron, Texas, do hereby designate the week of March 29th to April 4th, inclusive, as SPRING FIRE PREVENTION CLEAN-UP WEEK and most respectfully call upon all departments of the city, the Chamber of Commerce, Civic Clubs, Patriotic Clubs and our people in general, to take an active part in this Clean-up campaign. In testimony whereof, I hereto sign my name and seal of office this the 10th day of March, A. D. 1936.

CHAS. C. SMITH, Mayor, Cameron, Texas.

Attest:
Dan Tyson, City Secretary.

BIG INCREASE IN MILK SUPPLY HERE

Kraft-Phoenix Cheese Corporation plant in Cameron was receiving a 300 pound daily increase in Milk, it was announced by B. M. Alexander, manager.

The company will buy every pound of milk produced in the county and pay the top market price, said Mr. Alexander.

Success of the plant seems assured and milk producers were on the increase as a result of this new and large revenue yielding industry. The average increase has been 300 pounds a day and will go higher. The peak of receipts was reached Monday.

Mr. Alexander invites all those who have not yet visited the plant to call and be shown through this new industry.

Deputy Sheriff Clarence McCall and family attended a dinner at Walkers Creek, Sunday in honor of the 17th wedding anniversary of Mr. and Mrs. D. H. Hightower.

For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lufe, Ark., writes: "My husband and I both take Theodor's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

Cone, third in discus, third in pole vault, second in high jump and first in low hurdles. Jenkins scored 16 points and Cone 13 points, making a total of 29 points.

The Junior boys won second place in high jump, first in 50 yard dash and first in 100 yard dash, and Robert Cone won third place in bar chinning which made a total of 16 points.

Ruby Lee Scott won first place in Essay Writing, Ethel Scott, second in declamation; Pauline Jenkins, first in declamation; Christine Jenkins and Louise Edwards, fourth in arithmetic; J. T. Schumate and Marilyn Joyce Houston, first in fourth and fifth grade spelling.

Minerva won from Hoyte 25 to 1 in soft ball; from Val Verde 12 to 2 and Corinth 10 to 9. Softball players were W. F. Ledwell, Emmett Lee Cone, Jessie Pratt, James and Julian Terry, Marvin Cooper, Marcus Moore, Chester Hale, Buck McGuire, Robert Cone, Harry Edwards, and E. H. Caywood. A soft ball game will be played with Gay Hill Wednesday for the finals.

Those entering Junior track were James Terry, Marvin Cooper, W. F. Ledwell, Jesse Pratt, Robert Cone, Emmett Lee Cone and Buck McGuire.

Mr. and Mrs. Earl Leech and family have moved to the Bethlehem community. We regret to lose them from our community.

Rev. and Mrs. Walton Day, Miss Jennie Cone and Mesdames Clarence Harris and A. W. McCullin attended a zone meeting of the Missionary Society at Calvert on Thursday.

Minerva citizens are very proud of the new store building built by W. H. Fletcher. The exterior, when finished will be a red brick effect. The walls are finished inside with stained wall board, while the shelves, counters, etc., carry out a color of light green and white. Two large display windows add to the beauty of the place. The floor is of concrete.

Mr. and Mrs. G. M. Houston spent Sunday in Fort Worth attending the Fat Stock Show.

Clayton Lucas is recuperating from an attack of flu.

Rev. and Mrs. Walter Day and Mrs. A. W. McCullin, Mrs. B. F. Cone and Miss Jennie Cone were in Austin Wednesday to attend the lecture given by Toyohiko Kagawa, the great Japanese Christian leader.

Willie Jenkins suffered a sprained arm while working last Thursday.

Recognition

J. B. GILBERT

This big Yoemen end and prospect for Rice Institute football, has been recognized in a big way. He has just been invited to play in an all star game in Dallas on August 28 under auspices of the Texas High School Coaches Association.

Gilbert won all district mythical eleven. He played end for Yoemen, will graduate this year and weighs 205 pounds. He has the best goal kicking toe in the conference and is a bright prospect for college football.

Dr. M. Francis of A. & M. College, was in Cameron Saturday, accompanied by Mrs. Francis. He came over to get some fossil bones taken from the Curry gravel pit by Bailey Jones. Dr. Francis is Dean of Veterinary at the college and has a large fossil collection. A recent find is a prehistoric deer with a large antler growing out of the nose similar to the rhinoceros.

J. C. Moseley

Funeral services for J. C. Moseley, 15, son of Mr. and Mrs. Curtis Moseley, were held on Thursday, March 12, 1936 at Oak Hill cemetery by Rev. O. C. Acree, pastor of the First Presbyterian church, assisted by Rev. J. Coy Williams, pastor of the First Methodist Church.

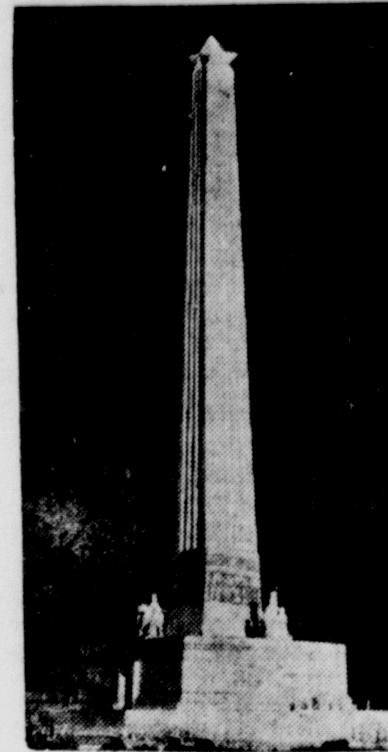

J. C. better known as (Jake) to his friends, spent his entire life in Cameron. He was ill two weeks prior to his death, passing away March 11, 1936, at 5:15 a. m. He died one day before his birthday. On the date of his burial he would have been 15 years of age. He was a member of the 9th grade in Yoe High School, and active member of the local Future Farmer Association and a promising young athlete, coming out this year for football. In his spare hours after school he was employed by W. A. L. Robinson at Texaco Service Station, thus beginning to develop his talents for business and revealing the industrious and trustworthy side of his nature. He made friends and to the hearts of many of the business men he had endeared himself.

At the age of 12 J. C. united with the First Baptist Church of Cameron, being a regular attendant and member of the B. Y. P. U. He was loved for his sweet Christian character, always a young man, courteous and smiling to friend and stranger alike. He will be sadly missed by scores of friends in and around Cameron. To those who knew him best and now sit in the shadow of great bereavement there is always the remembrance of him as the noble boy, tender in his affection for father and mother, courageous and intelligent. He is doubly mourned because he died so young.

Surviving him are his parents, Mr. and Mrs. Curtis Moseley, two sisters Winona and Kathryn Ruth, his grandparents, Mr. and Mrs. W. F. Pugh and Mr. and Mrs. John P. Moseley and a number of other relatives.

Out of town relatives to attend the funeral were as follows: Mr. and Mrs. A. D. Henderson of Calvert; Mr. and Mrs. Giles A. Pugh of Houston; Mr. and Mrs. Marvin Pugh of Rockdale; Mr. and Mrs. Earnest Moseley of Galveston and Mrs. Carl Moseley of Robstown, Mickey Moseley and daughter, Mabel of

Surrender of Santa Anna at San Jacinto

On the day following the Battle of San Jacinto, which was waged April 21, 1836, and achieved the goal of Texas liberty, Santa Anna was captured and brought before General Houston. The reproduction above of the painting hanging in the State Capitol shows the wounded Houston lying beneath the oak while Texans hurriedly gather to witness the final chapter in the struggle for freedom.

BAND PLAYS FOR ASSEMBLY

The feature of last Wednesday's assembly hour was a concert by the high school band, directed by Francis Cox.

The band played three selections. Roy Dunlap played a clarinet solo and Rudolph Michalka played a cornet solo.

At the close of the program Spanish pupils presented scenes from their program to be held March 30.

Clinton Breeding, dressed as a Spanish cabellero, was the announcer. The first dance was "La Botella" by Helen Ryan and Joe McLean; another dance "La Paloma" was danced by Winona Slaughter and Clinton Breeding. Other characters to take part in the Spanish program were: John Evans, Von Hickman and Simmie Smith.

Age Pension. Payment is due to begin on July 1. The comptroller has on hand \$2,000,000.00 from sale of liquor stamps and licenses.

Seventy five per cent of all liquor taxes go to the Old Age Pension fund. Twenty-five per cent goes to the free public schools.

Elsewhere will be found a sample ballot printed for the information of the readers of the Herald and the public.

Repeal of Prohibition on next Saturday in Milam county would mean the payment of taxes on liquors sold; would in all probability eliminate from merchandising in liquor many who are now engaged in its illegal sale and place the package store in control against the bootlegger.

Certain conditions must be met before license can be obtained. It is estimated that unless Texas counties vote to harness and discipline liquor sales, it will be necessary for the coming legislature to vote a general or a selected sales tax to pay the Old Age Pension.

voters of Milam County but by a majority of the same committee or their proxies. This action was not in line with the practices of the generous Democratic people of Milam County. It has been the custom to give to each District and County officer at least a full two year term and there is no reason why I should be made an exception to this rule. I am now asking the Democrats of Milam County to give me the remainder of the first term to which I feel that I am entitled.

I am now at the stage of the career of all poor young lawyers when I am required to put forth my best efforts to make both ends meet and I am not in a position to put on that kind of campaign that I am sure my opposition will be able to finance, but I hope to be able to talk to the majority of the voters of the County and to secure assistance of as many of my friends as possible in putting on this race.

San Idelfonso, established in 1749, Milam county, not marked.

Local historians may find interesting a search for these ancient mission sites. Recently Father Taos of Waco reported the discovery of crumbling walls on the banks of the Brazos near Gause but believed not to be one of the three old Missions.

Many of the old missions were burned when abandoned by the Priests who did not want them to fall into the hands of the French then contesting for Texas domain. Hardly any of the 43 missions in Texas are marked and consequently their exact location indefinite.

All available information indicates that all three Missions were built on the San Gabriel in what is now Williamson county. All were located within a short distance of each other.

It was stated that favorable reports are being received on the proposed farmers' recreational center for Milam county. A committee composed of J. T. Baldwin, E. A. Perrin, F. E. Woodruff, E. D. Parnell and John Henderson have made visits to Austin and A. & M. College in the interest of the recreational center. The Chamber of Commerce with the assistance of the City of Cameron has made application through the W. P. CONFEDERATE WIDOW VISITS IN CAMERON

Mrs. Mary B. Wilson, the first white child born in Waxahachie, paid our city a pleasant visit this week and accompanied by her daughter-in-law, were guests of Mr. and Mrs. John Perry. Mrs. Wilson's daughter-in-law, the former, Miss Myra Lankford, is a sister of Mrs. Perry.

Mrs. Wilson, the widow of a Confederate Veteran, was an interesting visitor at the Citizens National Bank of our city where she has been cashing her Confederate Pension Warrants for quite a long time. A real welcome always awaits any of the Confederates in this old southern bank, the roots of which extend back before Texas was a Republic. Our city hopes that many more of the followers of Lee and Jackson will partake of our hospitality.

Chevrolet Sales Indicate Recovery

Chevrolet Motor Company today reported retail sales of cars and trucks in the United States in February totalling 70,087. Sales for the year to March 1 total 145,789, a new record for the first two months of a year, the best previous record of 133,999 having been established in 1929. Sales for the same period last year were 87,677.

With the gains in retail sales of new cars, says the Chevrolet report, there have been corresponding increases in the sales of used cars.

February used cars sales showed an increase of 65,000 units over February, 1935, with a total of 149,698. This is a new high total, the best

previous February record having stood at 90,046 units since 1930. Used car sales for January and February total 316,662 units, highest in Chevrolet's history, and nearly double the previous record of 167,055 used cars sales in the first two months.

The increased used car activity, according to a statement by W. E. Holer, vice president and general manager of Chevrolet, reflects not merely improved buying conditions throughout the country, but the beneficial effects of the company's continuous and systematic campaign of use car advertising in newspapers and magazines.

MEAT SHOW HERE IS BEST IN HISTORY

The fourth Annual County Meat Show held by the colored farmers of this county March 13-14, under Co-operative Extension Service, was by far their very best. The winners were as follows:

Hams: First, second and third place, Alf Lee, Port Sullivan; fourth place, George Bowser, Davilla.

Bacon: First place, Alf Lee, Port Sullivan; second place, Earnest Polk, Branchville; third place, W. O. Bowser, Davilla; fourth place, Alf Lee, Port Sullivan.

Shoulder Butts: First place, Earnest Polk, Branchville; second place, Alf Lee, Port Sullivan; third place, Earnest Polk, Branchville; fourth place, Alf Lee, Port Sullivan.

Shoulders: First, second and third place, Alf Lee, Port Sullivan; fourth place, W. O. Bowser, Davilla.

Loin: First, second, third and fourth places, Alf Lee, Port Sullivan.

Dixie Sausages: First place, Earnest Polk, Branchville; second, third and fourth places, Jim Bowser, Davilla.

Lard: First and second places, Mrs. Arizona Lee, Port Sullivan; third place, Mrs. Clara Polk, Branchville; fourth place, Mrs. Sylvia Bolden, Branchville.

Lye Soap: First place, Mrs. Arizona Lee, Port Sullivan; second place, Mrs. Victoria Twigs, Prospect; third Mrs. Clara Polk, Branchville; fourth, Mrs. Sylvia Bolden, Branchville.

Greater co-operation was had from the farmers of the county this year than any of the previous years of the exhibits.

HEY, KIDDIES LISTEN!

Don't fly kites with string that's got any sort of metal in it.

Three of you were flying a kite on South Third Street Tuesday afternoon using as string some of this Christmas twine that's got a strand of silver stuff running through it. This silver stuff is a sort of metal and all metals are conductors of electricity.

What happened to these kids?

Well, their silver stranded string came in touch with a 66,000 volt line of the Texas Power & Light Company and for a split second cut off every bit of power in Waco.

What's worrying those who knew about what happened, however, is not that the power service was interrupted but that, if there hadn't been a tiny break somewhere in that kite string every one of those kids would have been killed.

It was only some tiny little break that prevented 66,000 volts going through them and when 66,000 volts goes through you it doesn't leave anything.

Be careful! When you fly kites use just ordinary string and in addition keep away from telephone and power lines of all kinds.—(From the Waco Times-Herald, March 4, 1936.)

Fryers at a dollar a pound; broilers at a dollar a piece. That's the price of champions, the champions raised by Cameron Future Farmers of America. J. L. Lampkin, senior student in Vocational Agriculture, won the honor of producing the champion pen of fryers that topped all entries at the Houston Live Stock show.

There were five Silver Laced Wyandotte cockerels in the pen and Will Horwitz, Houston Theatre owner, bid the five birds in at \$11, exactly a dollar a pound.

The champion pen of broilers, a Barred Plymouth Rock group of birds, were the property of the Local F F A chapter but were fed and cared for by A. W. Lucas, chapter

vice-president. The five birds were purchased by Julian Weslow, prominent Houston Attorney, at \$5. In addition to the sale price of the winning pens each lot won a cash premium of \$3.

In addition to producing the champions the local F F A members won 2nd and 4th in fryers, and 4th and 5th in broilers, with C. R. Law and J. W. Baldwin finishing the winners. All the poultry sold at public auction with some lots selling at 27c, some at 26c and some as low as 24c a pound. Capons shown by Rush Hairston brought 26c a pound with J. W. Sartwell, Livestock Show president, making the purchase. Adolph Kretchnar also showed broilers at the show.

GUESSWORK in cooking . . . pot watching . . . stuffy kitchens with high humidity . . . constant attention to cooking foods . . . waste of food due to excess shrinkage and baking failures . . . odor, smoke and other undesirable results are the heritages of an outmoded cooking appliance.

Modern science and inventive skill have brought to the ancient art of daily meal preparation as great advancements and benefits as have been wrought in other fields of endeavor. The modern gas range is designed for better living. It brings to the homemaker a new leisure, a new enjoyment in cooking, and absolute freedom from all those undesirable elements of cooking which were formerly the common lot of the "lady who cooks."

The modern gas range introduces more convenient and higher standards of cookery. It simplifies each cooking operation and effects added savings in time, food, fuel, effort and money.

The modern gas range gives superior controllability for low temperature, waterless and semi-waterless cooking, plus easily located, definite cooking speeds. It gives cleanliness, cool comfort, certainty and economy, and eliminates old cooking methods which destroy health building elements in foods.

See modern gas range display in our showroom. One is as easy to own as it is easy to use on our liberal budget-payment plan and trade-in allowance.

SPORTS

Friday, March 20 the girls softball team went to Rockdale to enter the contest for junior girls. Only four schools were represented in the contest. They were Rockdale, Milano, Sharp and Cameron. In the preliminaries Rockdale defeated Sharp and Cameron defeated Milano. The final game with Rockdale was played at 3 p. m. at the Rockdale football field.

The girls played well and the game ended in the first half of the seventh inning because it was unnecessary to play longer, since Cameron had a lead of one score. The final score was Cameron 16, Rockdale 15. The girls are looking forward to the district meet so they can be champions in their district as well as their county. The lineup was as follows: catcher, Laverne Owensby; pitcher, Maxine Akers; first base, Lucille Stedman; second base, Frances Lesovsky; third base, Pauline Laake; first short, Ruth Lewis; second short, Agnes Bishop; right field, Geraldine Tagel; center field, Elaine Young and left field, Inez Slaughter.

The boys softball team played poorly and was defeated by Milano in the first game 11 to 8. This makes the second consecutive year that Milano has done this, but this year the score was a little closer than last year.

Last year the Milano team edeated us 16 to 0. If the third time is a charm as the saying goes we should win next year.

BOY SCOUT NEWS

The Boy Scouts of Troop 53 met last Friday night March 20 in the cabin in Wilson Ledbetter Park for a regular meeting. There was one official present and 13 scouts. The flying Eagle Patrol had charge of the program. After the reading of the minutes and roll call, the patrols reported as to what they had done the past week. The Flying Eagle Patrol reported having finished the ton-ton that was assigned to them and reported 21 extra points on the new contest started. These points were made by Joe Bill White who bought a handkerchief and slide. Robert Lee Salach passed the three merit badges of cooking, book binding and friendship. The Flying Eagles now have a total of 72 points to the Black Cats 5. During the meeting interesting games were played, some of which were suggested by Scoutmaster Haygood. The meeting was closed with the Scout Laws.

Cameron FFA Boys Win at Fort Worth

By winning 12 prizes at the Fort Worth Fat Stock Show in the hay and grain division, Cameron Future Farmers were able to extend the long list of winnings and to add additional revenue to the C. H. Yoe chapter fund. Awards were announced Sunday in the Fort Worth Star-Telegram and Cameron F F A products accounted for one first, five 3rds, two 4ths, and four 5th, and returned \$16 in premiums to the local chapter.

Winnings were as follows: 1st, Blackeyed peas; 3rds, 10 heads hegari, gallon millet seed, 10 ears Surecopper corn, 10 heads Yellow Milo Maize, and 10 heads Texas Blackhul kaffir, 4ths, 10 heads hegari and 10 ears Reids Yellow Dent corn; 5ths, Yellow Milo Maize, he-

gari, cowpeas, and white dent corn.

Most of the products shown at Fort Worth were grown by Cameron FFA members and all exhibits were selected and prepared for show by the boys. All of these and many more exhibits grown by the boys were on display at the Milam County Fair last October. Boys of the chapter are already buying purebred seed for projects that will produce show exhibits for the fall fairs, Chas Clifton Cox, F F A president says.

At the close of the Fort Worth Show Sunday, March 22 the Cameron agricultural products were turned over to Drue Moore, exhibit specialist of the East Texas Chamber of Commerce, who will put them on display at the Texas Centennial Celebration in Dallas beginning June 6.

East Texan Writes Appreciation For Recent Banquet

Curtis Morris, assistant secretary of the East Texas C. of C., has written the following letter to W. F. Paden, secretary of the Cameron Chamber of Commerce, expressing his appreciation of the annual banquet held here on March 10:

"Well, Mr. Paden, I certainly appreciated your excellent banquet of last Tuesday night. In my year's work I take in rather a large number of such affairs. I am happy to say that the banquet that you staged this year was one of the most enjoyable that has been my pleasure to attend. You are to be congratulated on its success.

Moreover, you are to be complimented on the excellent vivacious spirit which has been developed in Cameron within the last year or two, much of the credit of which, I am sure, properly goes to you."

The purported discovery that hair, like the leaves of trees, falls as the temperature drops, is disconcerting. It had long been man's vanity to believe that the chill of winter encouraged the growth rather than the removal of his crowning glory, just as beasts of the field and woodland are said to develop warmer coats against the pitiless cold.

The theory that baldness may result from meteorological causes suggests that the cosmic forces are of a

surety not to be sneered at. After all, why shouldn't sun spots cause chickenpox or a passing comet induce a slight fever? How can one expect to escape chilblains in the dark of the moon and why isn't it reasonable to believe that planets, not taxes, are responsible for headaches? Eventually, perhaps, everything can be blamed on the weather.

THE STRONGLY-BUILT CULTIVATOR THAT DOES GOOD WORK IN NARROW OR WIDE ROWS

The John Deere KL is just the right cultivator for you if you want one cultivator that will do high quality work in a variety of row crops. It can be quickly and easily adjusted to any width of row from 30 to 48 inches.

You will like the easy handling of the KL. You can quickly raise or lower rigs, fix depth, space rigs, regulate shovels or sweeps, and dodge in crooked rows—from the seat, without stopping the team. The John Deere lever spread arch holds the rigs rigidly at the width set with the lever.

You'll like the sturdy construction of the KL—axle parts are heavy and strong; the frame holds its shape—will not sag.

Two Years in Prison for Auto Murder In County

Two years in prison for murder in connection with the death of Mrs. Ora Lucas in Rockdale on November 9th, 1935, was the verdict of a jury in District Court here. Thursday against A. W. Leyendecker of Bushdale.

Leyendecker is charged with murder and driving a car while intoxicated. The prosecution charged that Leyendecker struck Mrs. Lucas and killed her, leaving her body in the road way and failed to render aid.

This is the first conviction in the history of the county resulting from a trial where charges indicated an automobile fatality.

The jury was as follows: Roy Yates, Branchville; Frank Kleiber, Buckholts; B. L. Archer, Cameron; E. H. Walston, Marlow; Rice Dennis, Milano; Ed Massengale, Maysfield; C. S. Mullins, Salty; A. R. Walschak, Buckholts; A. L. Kennon, Belmena; Sam L. Graham, Sharpe; Fred McLerran and Lon Leonard, Cameron.

Testimony Opens Monday

Testimony in the case began Tuesday. Mrs. Lucas was found dead near the Lucas home on Saturday night, November 9 on the road side in weeds and grass shortly after 12 o'clock. Both legs were broken and she also had a broken rib. She had been dead several hours, testimony disclosed.

Confession Is Read

During the trial, District Attorney Emory B. Camp read the con-

fession of A. W. Leyendecker which had been made on Sunday morning after Mrs. Lucas was found dead. Some of the statements in the confession are: "I am 42 and live six miles from Rockdale. Yesterday afternoon I came to Rockdale and about six or seven o'clock started home. Even with the Kestenbaum home I hit a woman. I got out and turned her over. I then drove back to the Lucas gin and asked to come and get my car. My right head light hit her in the stomach. I drank two or three glasses of beer before hitting her."

Witnesses Testify

Witnesses who testified in the case up to Wednesday at noon were: State—Herbert Menn, Calvin English, Shed D. Hose, Avon Lucas, Eura Joy Lucas, E. A. Yarbrough, W. P. Henry, James Gray, A. L. Lucas, E. B. Phillips, Dr. H. T. Coulter, R. M. Kennedy, John Backhouse; Defense—Henderson Walker, Chas. C. Brady, A. H. EXPLOSION VICTIM BURIED AT SALEM

Funeral services for Mrs. Louis Goeke, 29, of Rosebud were held Friday afternoon at Salem church with interment in Salem cemetery.

Mrs. Goeke was fatally burned Thursday morning when a gasoline iron exploded in her home. She was taken to a hospital in Marlin. The accident occurred at 11:30 Thursday morning. She died at 6:30 in the afternoon.

Rev. T. H. Vaughn, pastor of the First Baptist church in Rosebud, conducted the services.

Mrs. Goeke was ironing in her home. The iron explosion burned her face. She dropped the iron to the floor at her feet and the flames ignited her clothing. She was burned about the body and face.

Surviving the deceased is her husband, Louis Goeke, and four children, Louis Glen, Mary Ruth, William and Betty Jo. Her parents, Mr. and Mrs. L. P. Johnson of Travis, four brothers and two sisters also survive her.

EVENING SCHOOL FOR AD HALL FARMERS

An agricultural evening school for farmers and farm boys of the Add Hall and surrounding communities got under way Thursday night, March 19 with more than forty people in attendance.

The new government soil conservation program was discussed at length altho complete details are not yet available on the new program. E. D. Parnell, Cameron Vocational Agricultural teacher, will conduct the school each Thursday night from 7:45 to 9:30.

The proper care of baby chicks, with special emphasis on disease control, will be the subject for discussion at next week's meeting. Other meetings will take up similar problems, with a number of dairy cattle feeding and management problems to be included. The school will continue for ten or twelve weeks.

New developments in the Soil Conservation program will be discussed from time to time as information is made available.

Goliad Martyr

Colonel James Walker Fannin, leader of the Texas revolutionary force at Goliad 100 years ago, shared the martyrdom of 390 followers who were massacred by the enemy near historic Mission La Bahia on Palm Sunday, March 27, 1836. The mission, from which the men were marched as prisoners of war to be slain in nearby fields, will be the scene Friday, March 27, of a commemorative observance which will be one of the outstanding events of the Texas Centennial year.

The FARMALL Way is the Modern way to plant Cotton

The McCormick-Deering Farmall 12 Tractor and F-67 Planter mounted on it has made a big hit with cotton growers. The F-67 is a 2-row, direct connected, power driven planter, easy to mount or remove from the tractor. Each planting unit follows the ground independently of the other, assuring uniform planting depth regardless of variation of height of the beds.

Seeding mechanism is thrown into or out of gear automatically. A clutch protects it

against damage should hard substances get mixed with the seed. Hoppers have a large capacity and are of the single seed plate type. Regular plates permit 13, 19, 27, 36 or 40 pounds of seed to the acre; special seed plates increase this to 50 to 75 pounds an acre. Corn and Kafir corn plates are supplied regularly and equipment can be obtained for planting beans, peas, peanuts, and other seeds.

Let us show you this McCormick-Deering Farmall Planter.

Texas Ranges Productive Today

On the far-flung ranges of West Texas sheep and goat raising constitute an industry of vast importance. The economic aspect of the Texas Centennial—that which portrays the achievements of the Texas of today—has turned the eyes of Texas and Americans generally to the modern productivity of the once untamed West. Stock shows in West Texas cities are interesting attractions of the Centennial calendar.

SOYBEAN RECOGNIZED EROSION CONTROL CROP

LONGVIEW, Texas, March 25.—That the soybean is destined to take its place in the agricultural picture in the South was indicated by a letter from the U. S. Department of Agriculture to the East Texas Chamber of Commerce. It was in the nature of a reply to a letter from the regional chamber suggesting that soybeans be included in the new soil conservation and domestic allotment act.

The department said that at a regional meeting held in Memphis on March 5, 6, and 7, representatives of southern agriculture had recommended that soybeans grown for soil improving purposes be included among crops designated as soil-improving crops.

"Soybeans grown for the purpose of aiding the organic matter and ni-

trogen of the soil are valuable for soil improvement," the letter said.

Soybeans harvested as hay or grain in accordance with the recommendation of the southern meeting, are included among "soil depleting crops."

The administration will announce as soon as possible, the East Texas Chamber was advised, the practices for soil restoration, conservation and erosion prevention, and changes in the use of land which will form a basis for payments to producers.

The East Texas Chamber has made the introduction of the soybean as a new crop in East Texas a part of its program to develop new sources of wealth and profits.

APRIL FIRST SPORTS DAY AT SAN GABRIEL SCHOOL

As has been the custom for five years, again April first, "The Fool's Day" will be celebrated in sport and fun at the San Gabriel School.

The entire day will be spent in intramural contests. Each grade will do its best to carry off the honors of the day. There will be contests in each of the following: marbles, tops, horse shoe pitching, potato race, hop scotch, volley ball, play ground ball, tennis 400 yard relay, washer pitching and sack race.

A new feature to this annual event is the Story Telling Contest. A story will be read to a representative from each grade. This representative will be the one who draws the black bean. The representatives will be chosen from the primer grades through the P. T. A. organization.

An assembly will be held in the morning. The entertainment will consist of story telling and the singing of Centennial songs.

Every one is requested to come and bring a basket. We plan to have a picnic lunch and enjoy the day together.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pain disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

Thomas de Leon, Malindo Gil. Primer—Josephine Garcia, Sofia Garza, Frank Hernandez, Elias Gonzales, Abel Garcia.

ENTERTAINMENT FRIDAY NIGHT, MARCH 27

There will be an entertainment Friday night, March 27 at 7:30 p. m. at the San Gabriel School Auditorium. This entertainment will consist of choral singing directed by Mrs. Culp and Miss Griffith, string orchestral music, consisting of Robert Roy Johnson, Wendell Snowden and Clarence Locklin, boxing matches between Joe Palooka and Popeye Cyclone Gordon and Dynamite Edwards, readings from high school students, and music by Leonard Brown and his Brownies. In addition to these numbers there will be music by Aileen Faulkner, Irene Fulcher and Ruby Alto Starnes and an amateur radio program. Come and enjoy an evening with us. Admission: children 5c, adults 15c and family 25c.

SOME RESULTS OF COUNTY MEET

Another county meet has come and gone with exception of tennis. The weather was fair and most every one enjoyed the meet.

We wish to express our thanks to Mr. Miles and the entire Rockdale faculty for courtesies shown to us, and for their splendid entertainment of the meet, all of which required lots of work besides the work they gave toward their own entries.

We, of course, would like to have won first place in all of the events that we entered, but we didn't by a "long shot." However, we had rather see a good loser than a "cheaty" winner.

Our ranks in the following events are as follows:

Debate—First Place Girls; First Place Boys.

Extemporaneous Speaking—First Place Girls; Tied for Third Place Boys.

Senior Boys Declamation—Second Place.

Senior Girls Declamation—Third Place.

Ward Junior Boys—Fourth Place. High School Junior Boys—Fourth Place.

High School Essay—First Place. Arithmetic—Fourth Place.

Picture Memory—Fourth Place. Choral Singing—Second Place.

Volley Ball—Fourth Place.

We entered various other events but did not rank as good as fourth.

We are now turning our thoughts to our local meet which will be held on April first.

NINTH GRADE ABILITIES

The ninth grade, according to their home room teacher, for the past three years has been one of the best grades in school. The same happy little group has worked together for the past three years with very few losses and very few gains.

During the three years, this ninth grade has entered every contest sponsored by the school, and each time this grade has been victorious. There has never been a time that this grade has not had representatives on the Honor Roll.

In the Interscholastic League work this current year, the grade has been 100 per cent represented in literary events and 77 per cent represented in field events. Could these students do more to help themselves or their school?

The members of this grade always work diligently and willingly on each undertaking. It is a real pleasure to work with the group, and their achievements in scholastics and extra curricula work prove their worth.

FIRST GRADE PROJECT

The first grade completed a project on the study of the pig with a pig lunch last Friday. The children brought ham, bacon and sausage and we cooked and served these pig products along with other things that were brought by the children in the form of a picnic lunch.

The interest in the beginning of the study was aroused by having the children talk about their father's pigs, what they eat, what they say, etc. We collected all the pictures we could find. These pictures were mounted by the children and sentences were made by the children and printed under each picture. Different kinds of foods which the pigs eat were brought to school and we made tables for exhibits in the sandtable. Some of the foods were maize, corn, acorns, shorts, bran, slop, milk, etc.

Our board border consisted of products which we get from the pig such as ham, bacon, gelatin, cushion hair, fertilizer, soap, shoe leather, brush bristles, and candle tallow. These we also had on exhibit in our sandtable.

Pigs were modeled from clay and Kenneth Wilson made a barn for these pigs. Jack Johnson and Orrin Chambers made the trough. Some other boys working in groups, sawed, nailed and painted the fence. We

then painted the barn, trough and exhibit tables to match.

Puzzles were worked out from pictures by placing the names of the products under the right picture.

Some riddles were written but space will not permit me to even all the best ones. These two are among the best:

I eat corn.

I say "wee-wee."

I eat maize and grass.

I drink milk. What am I?

—Nita Reed.

They eat corn and acorns.

They eat grass and maize.

They say "ugh, ugh."

They say "wee-wee."

What are they?

—Joanne Smith.

One day we made some cold water lye soap, and each child was given a small bar to take home.

Some very good stories were writ-

ten and told orally by the children. Stories about pigs were collected and read to the children and numbers were drawn to see who would retell the story for that day. Some were excellent.

Every phase of work was brought in in some way—number work, drawing, mounting pictures, construction with paper and boards, coloring, sentence structure, writing, and each child was much interested in doing this required work.

Model A General Purpose

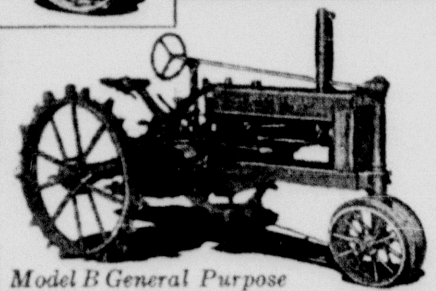

If You Haven't Seen These Two New John Deere General Purpose Tractors

We know what you'll say when you see them—just what everybody else says—that John Deere has set an entirely new standard for row-crop tractors with these outstanding new models.

The Model A General Purpose is a two-plow tractor for handling all types of work on the average-sized farm. It is a light-weight tractor with adjustable wheel tread; centered hitch in plowing;

full-view, effortless vision in cultivating; easy, positive steering; platform and seat for standing or sitting, and four forward speeds.

The Model B General Purpose is for the lighter farm jobs. It is a smaller brother of the Model A—pulls a one-bottom plow, a two-row cultivator—the latest addition to the John Deere quality line of money-saving, two-cylinder, distillate-burning tractors.

Model B General Purpose

Come in and see for yourself what remarkable values these new tractors offer you. One of the two sizes will fit your needs.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . "We have used Theodor's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

Sold in 25-cent packages.

AD HALL H. D. CLUB

The Ad Hall H. D. Club met with Mrs. J. O. Hughes last Friday with ten members and four visitors present. The program was on spring and summer clothing. Miss Fannie Mae Powell read "History of Designs—Paris"; Miss Mickie Marak read "Spring and Summer Fashion Trends" and Mrs. Frank Marek gave "Tips for the Well Dressed Woman." The next meeting will be with Mrs. Wil Anderle March 27. Miss Fulrod the county health nurse, will attend the meeting and all members and visitors are welcome to attend.

CLARKSON 4-H CLUB

A poor grade of dress material is not only poor taste, but is a mark of extravagance, said Miss Bertha Fae Strange, county home demonstration agent at a regular meeting of the Clarkson 4-H Club which met March 19 at the home of Kathleen Lambert. In connection with the selection and care of clothing, Miss Strange suggested that an adequate clothes closet should be equipped with shelves for folded clothing, a rack for hanging space and racks for shoes and hats aside for equipping the closet, it may be light and dust proof, by papering with scraps of ceiling paper. Paint may be used and is more practical and helps to keep out moths, said the home demonstrator.

The hostess served cake, sandwiches, and punch. The club adjourned until next meeting, April 3 at the home of Mary Lou Pruett, when we will check our slips and dress patterns.

Mrs. W. R. Hoover In Mercedes Writes Her Appreciation Herald

Greetings from Mrs. W. R. Hoover, of Mercedes, Rio Grande Valley, who moved there with her husband and family 2 years ago, tell of their interest in their old friends and old home in Cameron. She spoke of the enjoyment they get out of reading the news each week in the Cameron Herald; of how they watch and wait for the paper, saying that "It is like a big daily to them, with the up to the minute news."

This is much appreciated by the editor and the force of the Herald.

A copy of the Mercedes News-Tribune issued last week carried items of various activities of the town Mr. and Mrs. Hoover live in; gave items of interest where Mr. and Mrs. Hoover have become identified with their adopted town. Mrs. Hoover is a member of the Rio Grande Valley Civic Music Association, took part in the "Texas Centennial Program of the Mercedes Music Club," and sang "Blue Bonnet Time," at a recent meeting. She also attended a "covered dish dinner" given for the members of the Methodist choir where some 40 people were present. Mrs. Hoover has a fine soprano voice and contributed much to musical programs in Cameron while living here.

At a meeting of Mercedes Squadron of Sons of Legion, recently organized, their sons Hal and David Hoover were charter members.

The Services a Bank Renders

—are part and parcel of the sound policies and efficient methods it practices.

PRUDENT loan and investment policies safeguard the depositor's funds and help earn for him the expense of handling his account. They serve the borrower by restraining him from unwise ventures and guiding him to embark only on sound operations.

They also serve the Community by giving encouragement only to vigorous, well-managed concerns, thereby helping to maintain a sound business situation.

Good banking stays within these real services. It does not seek by free favors, easy loaning practices or other such inducements to gain customers. Observance of this principle is a cardinal part of this bank's management policies in its relations with all customers at all times.

At Burlington Gives

St. Patrick Program

Harking back in Irish lore to the days of St. Patrick, apostle of Ireland, Burlington, with visitors from Rosebud, Cameron, Westphalia and other towns, celebrated the occasion of St. Patrick on Tuesday night, with feasting and song.

The program was reminiscent of the days when the Irish, on St. Patrick's day, gathered around the tavern fires and drank toasts to all sayings to the enemy within recollection, among which the most famous was "May the enemies of Ireland be tormented with itching without the benefit of scratching."

Father T. E. O'Sullivan, native of the emerald isle, rendered two beautiful solos which emanated with the spirit of Ireland, told in poetry and song. Included in the program were the school children as well as the other young people of the community and a group of young men from Westphalia.

"Lights Out", rendered by the entire state group was the signal for the climax, and the end of another St. Patrick's day and the "Wearing of the green"—Rosebud News.

PROCLAMATION BY THE MAYOR

The week of March 29th to April 4th, inclusive, has been designated as **SPRING FIRE PREVENTION CLEAN-UP WEEK**.

This is Centennial Year in Texas and a Spring Clean-Up Campaign should receive the enthusiastic support of every man, woman and child. First, every citizen should have a wholesome pride in his home city, its streets, playgrounds, parks and buildings. Homes and surroundings freshly painted, with well kept lawns and gardens, increase property values and intensify community interest. Cleanliness creates cheer, courage and confidence. Secondly, because every dollar in property destroyed by fire, which is frequently the result of careless housekeeping in American homes and in the average place of business, is a serious drain upon our present economic condition. Thirdly and humanly most important, because in the past ten years entirely too many of our citizens have lost their lives due to carelessness in their daily use of fire, and the preservation of human life is an important matter.

Now, Therefore, I Chas. C. Smith, Mayor of the City of Cameron, Texas, do hereby designate the week of March 29th to April 4th, inclusive, as **SPRING FIRE PREVENTION CLEAN-UP WEEK** and most respectfully call upon all departments of the city, the Chamber of Commerce, Civic Clubs, Patriotic Clubs and our people in general, to take an active part in this Clean-up campaign.

In testimony whereof, I hereto sign my name and seal of office this the 10th day of March, A. D., 1936.

CHAS. C. SMITH, Mayor, Cameron, Texas.

Attest:
Dan Tyson, City Secretary.
